The mission of the Central Region Calmentoring program is to increase the pool of small business participation. This event is being designed to provide you with maximum value so that you can learn more about upcoming contracting opportunities that Caltrans has for small businesses and to learn from companies that have been working with Caltrans.

Complete information regarding the Calmentor Program can be found at: www.dot.ca.gov/dist6/calmentor/

We look forward to your participation in this dynamic event and trans Calmentor Programs.

Thank you and we look forward to seeing there.
